ISSS: New International Student Welcome Reception

(July 20, 2024)

Welcome to Emory!

International Student and Scholar Services (ISSS) invites new international students to the New International Student Welcome Reception on Thursday, September 7, 2023.

Check your email invitation from ISSS for location and registration details. This is **an invitation-only event** in honor of new international students who are under Emory's immigration sponsorship.

Enjoy global cuisine, make new friends, and join in some games for a chance to win Emory merch!

We hope to see you there!
