You are eligible for STEM OPT extension if you:

Are currently in F-1 student status

Are currently participating in post-completion OPT

Have a STEM-designated degree from an SEVP-certified, accredited US college or university

Are working for a STEM OPT eligible employer

EMORY  
UNIVERSITY

International Student  
and Scholar Services

# STEM OPT ELIGIBILITY

*"You are currently in F-1 Status"*

- This means you have maintained your F-1 status during your period of post-completion OPT.
- You have maintained status if you:
  - Reported changes to your employment and contact information
  - Worked in a position(s) directly related to your field of study
  - Not exceeded 90 days of unemployment

EMORY  
UNIVERSITY

International Student  
and Scholar Services

# STEM OPT ELIGIBILITY

*"You are currently participating in post-completion OPT"*

- USCIS will accept your STEM OPT extension application **up to 90 days** before the end date of your post-completion OPT period.
- USCIS **will not** accept your application for STEM OPT extension after your post-completion OPT period ends.
- **Tip:** Look at your EAD card and determine your post-completion OPT end date.

## SECTION 2: STUDENT CERTIFICATION

I declare and affirm under penalty of perjury that the statements and information made herein are true and correct to the best of my knowledge, information and belief. I understand that the law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

I certify that:

1. I have reviewed, understand, and will adhere to this Training Plan for STEM OPT Students ("Plan");
2. I will notify the DSO at the earliest available opportunity if I believe that my employer is not providing me with appropriate training as delineated on this Plan;
3. I understand that the Department of Homeland Security (DHS) may deny, revoke, or terminate the STEM OPT of students whom DHS determines are not engaging in OPT in compliance with the law, including the STEM OPT of students who are not, or whose employers are not, complying with this Plan;
4. My practical training opportunity is directly related to the STEM degree that qualifies me for the STEM OPT extension; and
5. I will notify the DSO at the earliest available opportunity regarding any material changes to or deviations from this Plan, including but not limited to, any change of Employer Identification Number resulting from a corporate restructuring, any nontrivial reduction in compensation from the amount previously submitted on the Plan that is not tied to a reduction in hours worked, any significant decrease in hours per week that I engage in a STEM training opportunity, and any decrease in hours below the 20-hours-per-week minimum required under this rule.

**SECTION 4: EMPLOYER CERTIFICATION**

I declare and affirm under penalty of perjury that the statements and information made herein are true and correct to the best of my knowledge, information and belief. I understand that the law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

I certify on behalf of the employer that this Training Plan for STEM OPT Students ("Plan") is approved and that:

1. I have reviewed and understand this Plan, and I will ensure that the supervising Official follows this Plan;
2. I will notify the DSO at the earliest available opportunity regarding any material changes to this Plan, including but not limited to, any change of Employer Identification Number resulting from a corporate restructuring, any reduction in compensation from the amount previously submitted on the Plan that is not tied to a reduction in hours worked, any significant decrease in hours per week that a student engages in a STEM training opportunity, and any decrease in hours below the 20-hours-per-week minimum required under this rule;
3. Within five business days of the termination or departure of the student during the authorized period of OPT, I will report such termination or departure to the DSO (*Note: business days do not include federal holidays or weekend days; and an employer shall consider a student to have departed when the employer knows the student has left the practical training opportunity, or when the student has not reported for practical training for a period of five consecutive business days without the consent of the employer*); and
4. I will adhere to all applicable regulatory provisions that govern this program (*see 8 CFR Part 214*), which include, but are not limited to, the following:
  - a. The student's practical training opportunity is directly related to the STEM degree that qualifies the student for the STEM OPT extension, and the position offered to the student achieves the objectives of his or her participation in this training program;
  - b. The student will receive on-site supervision and training, consistent with this Plan, by experienced and knowledgeable staff;
  - c. The employer has sufficient resources and personnel to provide the specified training program set forth in this Plan, and the employer is prepared to implement that program, including at the location(s) identified in this Plan;
  - d. The student on a STEM OPT extension will not replace a full- or part-time, temporary or permanent U.S. worker. The terms and conditions of the STEM practical training opportunity—including duties, hours, and compensation—are commensurate with the terms and conditions applicable to the employer's similarly situated U.S. workers or, if the employer does not employ and has not recently employed more than two similarly situated U.S. workers in the area of employment, the terms and conditions of other similarly situated U.S. workers in the area of employment; and
  - e. The training conducted pursuant to this Plan complies with all applicable Federal and State requirements relating to employment.

**Note: DHS may, at its discretion, conduct a site visit of the employer to ensure that program requirements are being met, including employer possesses and maintains the ability and resources to provide structured and guided work-based learning experiences consistent with this Plan.**

# EMPLOYER NONCOMPLIANCE

- If you believe that your STEM OPT employer is not complying with the terms and conditions of the 24-month STEM OPT extension regulations, the Form I-983 instructions, and the completed Form I-983 on file with ISSS, you may:
  1. Contact the Student and Exchange Visitor Program at the U.S. Immigration and Customs Enforcement (ICE) by following the instructions found on [www.ICE.gov](http://www.ICE.gov)
  2. Report violations through the [Homeland Security Investigations tip submission form](#)

# EMPLOYER NONCOMPLIANCE

- The [Department of Homeland Security](#) advises students to leave a noncompliant employer and report their unemployment to their [ISSS advisor](#).
- A period of unemployment caused by an employer's failure to comply with program requirements on its own will not affect your F-1 status as long as you report changes in employment status and adhere to the overall unemployment limits.

# EMPLOYER REPORTING REQUIREMENTS

In addition to your reporting requirements, your *STEM OPT employer* must report the following information within **5 business days** by e-mailing [iss@emory.edu](mailto:iss@emory.edu):

- Any voluntary or involuntary end to your employment
- Any unapproved absence from work for five consecutive business days

\*Your employer must also work with you to complete an updated I-983 if there are any changes to your STEM OPT employment.
